Dear Sir,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we would like to inform you that GP Eco Solutions India Limited has received an Engineering, Procurement and Construction (EPC) contract for the execution of a solar power project.

The project involves the development of a Ground Mounted Grid-Connected Solar Power Plant with a capacity of cumulative 24 MWac / 31.67 MWdc, to be located at State of Punjab, India. The project will be executed under the Open Access Captive Metering Arrangement and is scheduled to be fully commissioned on or before March 31, 2026.

Under the terms of the contract, GP Eco Solutions India Limited will be responsible for providing comprehensive EPC services, including engineering, design, procurement, supply, installation, erection, testing, commissioning, and final handover of the project.

We believe this project reinforces our position as a leading player in the renewable energy sector and contributes meaningfully to the clean energy transition.

We request you to kindly take the above information on record.

Thanking you,

Yours faithfully,

For GP Eco Solutions India Limited
